Description: A modern villa on a hill above Oban that overlooks the Sound of Kerrera. This is a good choice for the fantastic views available from the 2 bedrooms and the breakfast room. Both rooms were refurbished in 2007 to a very high standard, and offer new furnishings, wide-screen TV with digital channels, a sitting area and a dining area. Ensuite bathrooms. The rooms are spacious, and feel very fresh and clean with their laminate flooring. Both rooms are on the top floor with large windows and balconettes.

Access: From the A82 turn onto Breadalbane Street. At the top of the street, take the second left onto Croft Road. The house is signposted up the hill just before the council housing estate.

Dining Out: Oban has lots of good restaurants. We recommend Ee-usk, Coast and the Waterfront.
